The Thomas M. Brennan Memorial Foundation was established to commemorate the life of our friend and Boston College classmate Tom "Beezo" Brennan (BC '91), who was killed in the September 11 terrorist attack on the World Trade Center. Our mission was to fund a memorial scholarship at BC for students in need of financial assistance, and the primary vehicle for funding the scholarship would be an annual golf outing. We embarked on a journey guided by Tom's faith, integrity and love for his fellow man. Our primary goal continues to be keeping Tom's memory alive by helping those in need.

Tom was 32 years old at the time of his death and had just embarked on his own journey in life. He and his wife Jennifer (BC M.Ed. '98) had recently moved into their first home with their seventeen-month old daughter, Catherine. Jennifer was expecting their son, Thomas Jr., who was born six weeks after Tom's death. Tom is happily remembered for his impish grin, his hearty laugh, and his resolute independence.

Thanks to the extraordinary generosity of many, the Foundation has achieved considerable success. Two of our scholars have graduated from BC. Additionally, there is a recipient of the Thomas M. Brennan Scholarship in each class year at BC. We look forward to reaching even greater heights in the years ahead and continuing to make the Foundation as unique as the man who forever changed our lives.

Please join us at The Seventh Annual Thomas M. Brennan Memorial Golf Tournament and experience this unique event — from the tie-dye jackets awarded to the winning foursome to the always-entertaining silent and live auctions — firsthand. Thank you for your continued generosity and support.

Ever to Excel,

The TMBMF Golf Committee
